

BUSINESS IMPROVEMENT DISTRICT BULLETIN

A Message from the City Clerk

Signs of Spring are beginning to appear: warmer weather, flowers in bloom, and more outdoor activity. More importantly, there is hope in air. The recent vaccination eligibility expansion and dropping infection rates are very positive developments in our ongoing efforts to end the COVID-19 pandemic. But we must all remain vigilant and continue to take steps to minimize exposure and infection at home, work, and in our communities so this ordeal can end. As such, our office will remain closed to the public. While our staff continues to telecommute, we remain committed to providing quality service and assistance. As before, if and when these circumstances change, we will update our BID partners.

Thank you and Stay Safe,

Holly L. Wolcott
